

New Park

The park grand opening is *december first* and is expected to bring a lot of fun into this town. The park was styled after the movie *Jurassic Park* and is **Dinosaur** themed.

You have not lived until you have realized what has died before you.-George Arthur

Jurassic Slide

A giant slide is being constructed and is larger than life sized model of a T-Rex

Bone Bars

If you like monkey bars you are gonna love what this new park has made. It's monkey bars but the bars are made of genuine dino bone from all across the world. This is a very exciting thing that was added to the park.
